

EFFECTIVE EMERGENCY OPERATION FOR DEALING WITH DISASTERS

Aditi Umrao, Project Director (Emergency
Operation), Govt of U.P.

About Uttar Pradesh; the largest State of India

- Uttar Pradesh is the largest State of India in terms of population. Had it been a country in itself, it would have been 6th largest country.
- When it comes to per capita income, Uttar Pradesh has half per capita income than the national average.

Best Practices adopted during COVID 19

- Establishing a State of the Art State Integrated Disaster Control Centre and 1070 helpline to manage COVID

□ Coordination

- Sharing Information:
- Managing grievances:
- Real Time Monitoring of Community Kitchens, Shelters & Transit Camps:

"Pravasi Rahat Mitra App" (Mobile App) for migrant & skill mapping:

- Skill Mapping of 3.7 million migrant labourers has been done through this system.
- This data is being used by all major companies available in India.
